EcoTable-Q

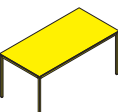

Office desk with square tubular legs.

Frame consisting of an all-round rectangular steel edging with welded-on table legs made from square tubular steel, powder-coated with coloured epoxy resin. Table with leveling screws, glides for hard or soft floors, or 2-component universal glides, or with 2 or 4 lockable castors.

Table top made from laminated chipboard with plastic edge or highly rigid molded PUR edge. In some cases also with rigid CDF fiberboard.

Electrical connections established via a mesh cable basket. The cable outlet passes through drilled holes with aluminium inserts which can also accommodate accessories such as table lamps or monitor holders. A CPU holder (accessory) can be mounted on the left or right.

The following material groups are available to choose from: Frame made of steel: M1; Top made of chipboard: L3; CDF-fibreboard: L4; Chipboard with laminate: L9.
