

PRODUCT INFORMATION Pareto-Ttwin_TY_US - 05.01.2021 - www.vs-furniture.com

Pareto-Twin Dual workplace.

Design in accordance with DIN EN 527-1 consisting of two centrally positioned tubular steel cross-pieces and welded brackets.

Substructure consisting of two pairs of uprights made from powder-coated metal with round or square uprights with two cross-pieces made from rectangular tubing. Optionally available with side panel cover. Electrically-driven height-adjustment with two-stage telescoping uprights, optionally with display, memory, collision protection and child safety protection.

Table tops made from melamine-resin, veneer or linoleum-coated chipboard with angled corners.

Electrical connections (optional) by means of a folding metal cable tray with round cable chain and a linkable cable trough for the joint cabling of both desks.

Cable outlet through a maximum of three metal outlets (left, centre, right) or a cable flap positioned on the left or right for each workplace.

Accessories for electrical connection (Schuko power socket) and CPU holder with retaining strap.

The following material groups are available to choose from: Frame made of steel tube: M2; Top made of chipboard: L6; Top made of linoleum: L8; Top veneered: F1.
