

PRODUCT INFORMATION S600-Catering_TY_US - 05.01.2021 - www.vs-furniture.com

Series 600 Catering module.

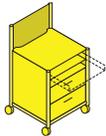

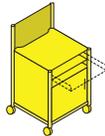

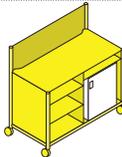

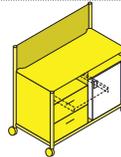

Body consists of a tubular-steel skeleton with 4 posts, a solid-metal bottom and 3 perforated-metal sides, each powder-coated. With design or special castors.

Front open and/or solid-metal with metal bow handles.

Coffee module (depending on model) with an open drawer for cups and small items, drawers or a storage compartment with door for water tanks. Upper cover plate made from melamine-resin-coated chipboard with glued-on plastic edge. The cover plate acts as a surface for holding a coffee machine. Wiring/electrification through the back.

Refrigerator module (depending on model) with an open drawer for glasses and small items, drawers or shelf compartments and a refrigerator. Upper cover plate made from chipboard.

The following material groups are available to choose from: Frame made of steel tube: M1,(chrome-plated); Body and front made of steel: M1.
