## Shift+ Base

### Height adjustable sit-at/stand-at school table.

Frame made from welded, powder-coated, U-shaped steel skids and a centrally positioned upright. Skids with four castors as standard, two of which are lockable. Optionally with bookshelf and/or screen.

**Function:** The gas spring is triggered using a handswitch at the edge of the desk top. The handswitch is equipped with a safety cover to protect against unintentional activation.

**Desk height** continuously height-adjustable with built-in gas spring.

**Desk top** made from laminate- or melamine resin-coated chipboard with glued plastic edge or from rigid CDF fibreboard or high-strength solid HPL board.

**Equipment:** Optionally available with a bookshelf made from metal sheet bended on three sides below the table top and/or a chipboard or CDF screen.
